Mission Statement

The mission of *Existenz* is to encourage research and publication on problems and topics consistent with the general overview of Karl Jaspers, namely, the history of philosophy, phenomenology, existentialism, and hermeneutics; psychology, philosophy of religion, politics, culture, and the arts. This journal serves as a publication outlet for various international Jaspers societies, including those in the United States, Germany, Austria, Great Britain, Russia, and Japan, and also considers direct submissions of articles for online publication. *Existenz* is indexed in *The Philosopher's Index*.
